Dear Sir or Madam,

Thank you for all that you do. I would like to share with you what has been going on at Teen Nite this month. Once again the biblical small groups are the highlight. The study book encourages engaging conversation. We had a party at my home to celebrate all of the young people that helped out at the banquet in January. It was really nice and fun. Some of our board members were able to attend and thank them personally. We played group board games and ate a lot of good food. It is always fun creating memories.

We are doing mentoring with some of the kids, with the hope that we can help them desire to get closer to God. Starting this month we have 4 kids in mind, but I'm sure that number will grow as we get to know more teens. Our outing this month was to the Hub at Christ Community Church in St. Charles. The kids had a great time once again. They got to play video games, sing karaoke, line dance and hang out. There was a lot of laughter and fun videos. We had an awesome potluck and a great talk with the teens. God is continuing to work through us to show His love for our teens. Thank you again from my heart, because we could not do this without you.

Your brother in Christ,  
Deacon Aaron Malone
