Dear Sir or Madam,

We have had a great summer with lots of activities. I have had opportunities to be in the neighborhoods and meet with some parents and hang out with a few teens. I have been able to mentor others over the summer. We enjoyed the 3rd of July barbecue with River Valley Community Church. We also had a picnic with a kickball game and water balloon fight. I'm happy to report that all the adults were able to make it to work the following day. We have one more event planned for this summer. It will be another day at the park to play softball with the teens and maybe some volleyball. Grilled hot dogs are on the menu. We couldn't do this without God and you all showing the love of Christ to these teens. Thank you so much for being a part of this ministry and for all you do. God bless you all.

Your brother in Christ,
Deacon Aaron Malone
